# MUHAMMAD USAMA

VISUAL / DIGITAL / MOTION

**GRAPHIC DESIGNER**

Brand Identity · Digital Creative
UI/UX Design · Motion Graphics

**KARACHI, PAKISTAN** **+92 317 1323146** **8174245usama@gmail.com**

## 01 PROFILE

Versatile graphic and UI/UX designer focused on brand identity, digital creative, user-centered interface design and motion-led content. Brings a considered approach to typography, color, composition and visual hierarchy, backed by practical knowledge of Adobe Creative Cloud, Figma and Canva. Combines creative thinking with a software engineering background to design for visual impact, usability and real-world digital execution.

## 02 CREATIVE CAPABILITIES

**BRAND IDENTITY & VISUAL SYSTEMS**
Logo concepts, brand assets, visual consistency, typography and art direction.

**DIGITAL & CAMPAIGN CREATIVE**
Social media graphics, advertising visuals, banners and promotional layouts.

**MOTION GRAPHICS**
After Effects, keyframe animation, animated graphics and kinetic typography.

**UI/UX & WEB DESIGN**
User flows, wireframes, prototyping, visual interfaces and responsive design.

**IMAGE & ILLUSTRATION**
Photo retouching, compositing, color correction and vector artwork.

**DESIGN FUNDAMENTALS**
Hierarchy, grids, color harmony, composition and asset preparation.

## 03 DESIGN SOFTWARE & PRODUCTION TOOLS

| | |
|---|---|
